Statement of commitment to child safety

Kew East PS is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Roles and responsibilities

School leadership team

Our school leadership team (comprising the Principal, Assistant Principal, Learning Specialists, and Professional Learning Team Leaders) is responsible for ensuring that a strong child safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

The responsibilities of the child safety champion are outlined at [Guidance for child safety champions](#).

Our principal and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Assistant Principal is responsible for monitoring the school's compliance with the Child Safety Policy. Anyone in our school community should approach the Assistant Principal if they have any concerns about the school's compliance with the Child Safety Policy.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

KEPS also promotes child safety and managing risk in physical and online environments by:

- implementing KEPS values of responsibility, respect, relationships, resilience and reflection
- Implementation of a tiered actions and consequences behaviour chart along with a restorative practice approach to addressing conflict
- Yard duty supervision is designated sections of the school grounds (junior, front and 2 senior areas)
- having internal toilet blocks in senior, multipurpose and junior buildings and during class time students go to the toilet in pairs
- all visitors, volunteers and contractors sign in when in the school and show Working With Children Check (WWCC)

- the school promotes student safety online through the Student Wellbeing scope and sequence F-6 where lessons are taught to students F-6
- Year 3-6 students also have the opportunity to complete a KEPS Student Wellbeing Survey annually that covers areas of, managing cyber safety, managing social media, cyber bullying and the occurrence of disrespectful behaviour online at school or home
- private devices connected to the internet cannot be used in the school grounds and on school camps or excursions by students
- mobile phones are handed into teachers at the beginning of each day and secured until the end of the school day in accordance with the school's mobile phone policy.

Establishing a culturally safe environment

At Kew East PS, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice.

We have developed the following strategies to promote cultural safety in our school community by:

- having zero tolerance for racism and should there be any incidents of racism within the school environment these will be identified, confronted and not tolerated. Instances of racism in the school environment will be worked through and will have appropriate consequences
- including Aboriginal history and culture into the school curriculum taught F-6
- Celebrate some key Aboriginal events and anniversaries such as, Reconciliation Week, 27 May-3June, NAIDOC Week, National Aboriginal & Torres Strait Islander Children's Day, 4 August

- begin with Acknowledgement of Country at the commencement of special school events and school assemblies
- the Aboriginal and Torres Strait Islander flags are on permanent display in the gymnasium and the Aboriginal and Australian flags are flown outside each school day

Student empowerment

To support child safety and wellbeing at Kew East PS we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, the KEPS Student Wellbeing scope and sequence F-6, and our school values.

We inform students of their rights through student wellbeing lessons and our whole school approach to Respectful Relationships, to give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at the school website under KEPS Complaints Policy.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Other strategies used to empower and encourage students to share their concerns are by:

- having wellbeing lessons that are age appropriate to reiterate that they can report their concerns to a trusted adult/teacher or leader in a discrete way and that it will be taken seriously
- consciously building of trust between staff and students and getting to know and value the interests of students
- to provide opportunities through the Attitudes to School Survey and the KEPS Student Wellbeing survey to express their satisfactions levels in use of social media, bullying and mental health concerns
- conduct class meetings
- provide a buddying program for Foundation and Year 6 students
- Student Voice Team (SVT) representatives are elected in Years 1-6
