PURPOSE

To explain Kew East Primary School's policy in relation to personal property and to ensure that special or valuable items of personal property are not brought to school.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

Kew East Primary School understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education and Training does not have insurance for personal property of staff, students and visitors. Kew East Primary School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Kew East Primary School encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

If students bring items of value to school, and a staff member determines that a student does not require the item in their possession during the school day, the item will be stored securely in the teacher's classroom or school office until the end of the day or until a parent or carer can collect the item.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Annual reminders in our school newsletter
- Available publicly on our school's website (or insert other online parent/carers/student communication method)
- Included in staff handbook/manual
- Hard copy available from school administration upon request
